

JCI JONES CHEMICALS, INC.
MERRIMACK, NH

On February 19, 2014, JCI updated the facility's Process Hazard Analysis (PHA) in accordance with 29 CFR 1910.119(e) and conducted a Compliance Audit of the facility's Process Safety Management (PSM) program in accordance with 29 CFR 1910.119(o). JCI solicited the assistance of the consulting firm Arcadis U.S., Inc. in the update of its PHA. As a result, the PHA's "What-If?" methodology was updated to include a section on "Safeguards". Arcadis U.S., Inc. also participated in the PSM Compliance Audit. The following personnel participated in both the update to the PHA and in the Compliance Audit.

JCI Jones Chemicals, Inc.

Tim Gaffney, Executive V.P. Environmental Affairs & Risk Management

Dan Casmev, Executive V.P. Safety, Security & Regulatory Compliance

Frank Levin, Interim Branch Manager

Roger Costain, Plant Manager

Joe Devereaux, Plant Foreman

Arcadis U.S., Inc.

Lailani Metzler, Senior Consultant
